

ATV TOURS

Addventure X Lodge is located right on the Newfoundland T'Railway in St. George's. A leisurely 90 mile day rille from the Gulf Ferry through mountain wilderness and along scenic coastline will bring you right to our door. From here, our experienced guides will take you somewhere new and exciting everyday returning evenings to home style cooking, clean comfy rooms and evening socializing!

One of North America's "must do" ATV Xpeditions is the "Cross the Rock" trek via Newfoundland's old rail bed. We offer two packages, including the typical Deer Lake route and an alternate wilderness route via Red Indian Lake.

A popular tour is our "Western Loop", a 5 day / 4 night Xcursion via St. George's, Buchans & Deer Lake. With this & the via Red Indian Cross the Rock tour guests may opt for an extra night at our remote hunting lodge on Victoria Lake.
